It's time to do something amazing. Virginia Supportive Housing is participating in Give Local 757 and we need your help!

Hosted by the Hampton Roads, Peninsula and Southeastern Virginia Community Foundations, Give Local 757 is a 24-hour event raising hundreds of thousands of dollars for local nonprofits like Virginia supportive Housing. Our goal is to raise \$12,000 for Virginia Supportive Housing and make an **amazing** impact!

Not only will your gift help us reach our goal, but it may qualify us to win additional cash incentive prizes. Gifts of any size can make a HUGE difference! (The minimum gift allowed is \$10.)

Join friends and supporters of the non-profit organization that has cracked the code to ending homelessness in South Hampton Roads. At Black Tuna we'll have a cash bar, free nibbles, and opportunities for you to support VSH's mission.
